

Marketing Intern

COMPANY HISTORY

Power/mation is a nationally recognized distributor specializing in advanced automation hardware and software products. We help our customers improve their manufacturing processes by assisting them in the application of unique automation solutions in the following technology areas: motion control, logic control, software, sensors, vision, safety, power transmission, panel components and services.

Power/mation began in 1961 and has grown to locations within Minnesota, Wisconsin, Illinois, Iowa, Nebraska and the Dakotas. For more information, please visit our web site at www.powermation.com.

Power/mation has an opening for a summer Marketing Intern at the St Paul location.

DUTIES

The Marketing Intern will assist the Marketing department with various projects and help set up and manage summer events.
