

Staying Connected to Your Machines

Do you rely on outside contractors for machine support and troubleshooting? Has COVID-19 interfered with contractors accessing your facilities? Power/mation has tools and experts at your disposal to meet these unprecedented challenges.

The COVID-19 crisis has proven the need to remain connected virtually. This principle also applies to the devices in your facility. Follow these three quick steps to get connected.

Solution Options

 <i>Solution: Secure Cloud</i>		 <i>Solution: GateManager</i>	
Step 1 Edge Devices <ul style="list-style-type: none"> • mGuard • TC Cloud cellular modem 	Step 2 Clients <ul style="list-style-type: none"> • Windows • Linux 	Step 1 Edge Devices <ul style="list-style-type: none"> • SiteManager • NetComm cellular modem 	Step 2 Clients <ul style="list-style-type: none"> • Windows
 <i>Both solutions are Verizon compatible.</i>
